Reflecting on Get Connected Canada

Prayer Opportunities

REFLECTING: *Get Connected Canada CR Conference*

Reflecting back on the *Get Connected Canada CR Conference* last month, we want to share some of the ways we see God carrying out the vision, we believe he's given us, to make CR accessible to everyone.

- over **500 registered**
- all **10 provinces & the North West Territories** represented from coast, to coast, to coast
- **25 French** speaking Canadians were able to take part
- **3 Indigenous** people gave testimony of God's redemption in their lives
- **8 other countries**, including 20+ from **Cambodia** joined in
- participants in **residential recovery homes** across Canada were able to watch online

What an amazing thing it is that you and I get to be part of God's freedom plan.

PRAYER: *Will you join us?*

We value your **prayers** for

- all of us serving in local churches to be yielded to God, to bring **His Good News** to others
- **correctional institutions** to open up, for volunteers to go back in with CR
- expansion of CR in **Northern Canada** & the team preparing to translate CR into Inuktitut
- the **rebuilding of groups** that are in need of leaders for adults, youth & children
- courage for all of us to take the risks God would have us take to reach 1 more

We would be delighted to have you join us in praying together, **Wed. May 4th 7-8p EDT**. [CLICK HERE](#) to register and receive the Zoom link.
