The Hidden Hurts in Your Congregation

- Every day, people in our congregations are navigating hidden **hurts, habits, and hang-ups**.
- These struggles go beyond addiction to include anxiety, grief, codependency, and unprocessed trauma.
- Leadership alone cannot reach all of the deeply wounded people in our community.

A structured, safe place for people to find healing without overwhelming the current pastoral care capacity is needed.

What is Celebrate Recovery?

- A Christ-centered, biblically-grounded recovery ministry
- Built on a 12-step approach rooted in the Beatitudes from the book of Matthew.
- It is **more than just an addiction program**; it is a core discipleship tool for the entire church.
- Provides a safe environment for accountability, building authentic relationships and discipleship

Addressing More Than Just Addiction

- CR helps individuals overcome diverse life-controlling issues.
- Addresses: Codependency, anger, eating disorders, grief, sexual addiction, depression and so many more.
- **Family-Inclusive:** CR can provide holistic support for the whole family through specialized ministries like "The Landing" for youth and "Celebration Place" for kids.

Multiplying Your Capacity to Care

- **Expands Our Capacity to Care:** CR reduces the heavy pastoral care workload by equipping people to minister to one another. It develops strong volunteer leaders directly from within the recovery community itself.
- **Develops Leaders:** Transforms lives by developing leaders directly from within the recovery community itself.
- **Sustainable:** People who have experienced healing become equipped to support others.

A group of people are gathered around a table in a meeting. A man with a beard, wearing a camouflage t-shirt, is pointing at a laptop screen. Other people are looking at the screen and talking. There are coffee cups on the table.

We Don't Have to Reinvent the Wheel

- CR operates under clear DNA guidelines and a standardized curriculum to ensure quality and consistency.
- Provides ready-to-use materials and step-by-step implementation guides.
- Access to ongoing support, leader training, and coaching from regional representatives across Canada.
